

Planning to break ground this winter?

Then we want to buy you breakfast!

Spectra Energy, Pembina Pipeline Corporation, Alliance Pipeline and Pacific Northern Gas operate buried pipelines in British Columbia. You and your staff are invited to a FREE contractors' breakfast, where we'll provide a hot meal, giveaways and important safety information about working near high pressure pipelines.

Whether you build fences, install telephone poles, lay asphalt or excavate - your safety is our top priority.

Spread the word. We look forward to seeing you.

Wednesday, October 19

7:00 - 8:00 am

Pomeroy Hotel (Marie Pomeroy Room)

11308 Alaska Road, Fort St John

Hot Breakfast... Prizes... Business Card Draw

This event is for providing important safety information.
